The image that we have of our school is like the lines representing our building shown above, incomplete. to really put all the lines in place and to form a complete picture of what our school is like, we must do something of our own violation, we must become involved in what is happening at school. If we remain as passive students during our years of attendance then our picture of the school will just as vague and without charactor as the illustration above.

After a bicentennial year of sparkle and pizzazz, many of the students had a very pessimistic outlook for the 1976-77 school year.

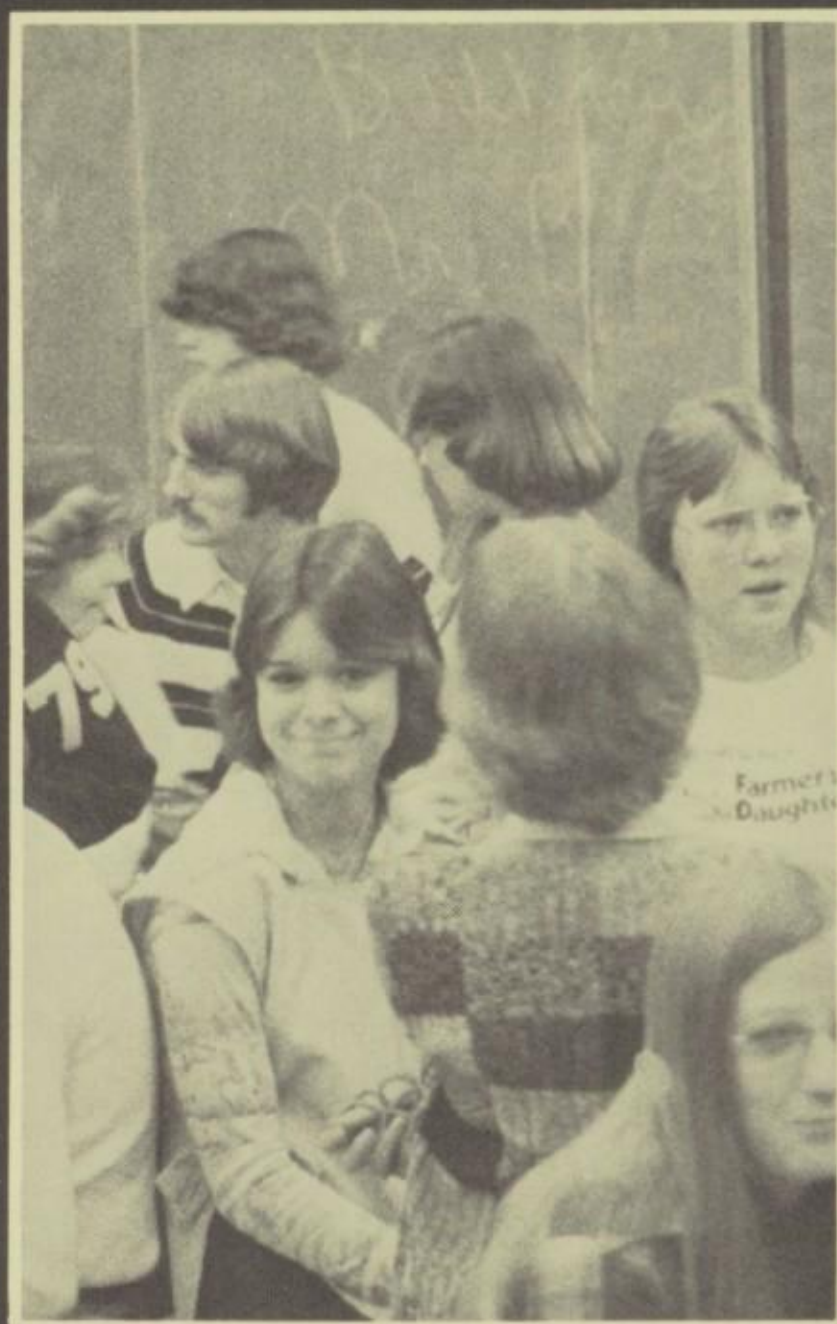

As time went on though, and the year progressed, things started happening. The atmosphere began to change, as one by one we all realized that 1977 is ...

A Year Worth Remembering

The Faces Of CHS

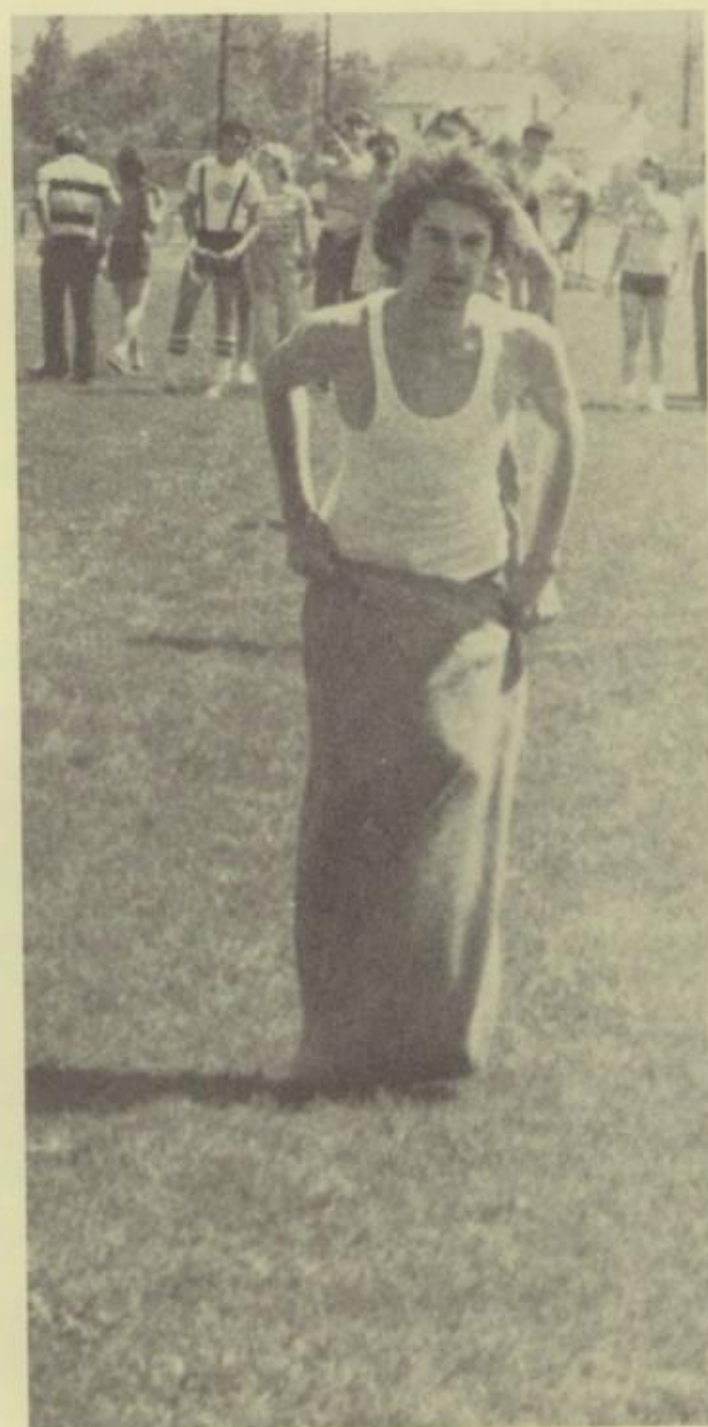

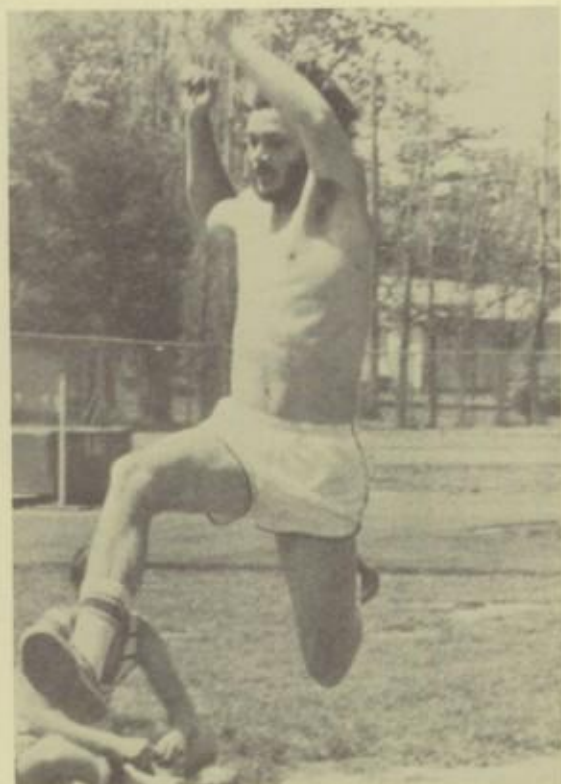

One thing certainly made the 1977 school year memorable — the snow! The Artic temperatures hung on for months, until it was thought we the midwest, had traded places with Alaska. Our school was closed for 5 days in January, 4 days in February, and 1 day in March, jointly from road conditions and fuel shortages. Page five shows that it was snow time to fool around.

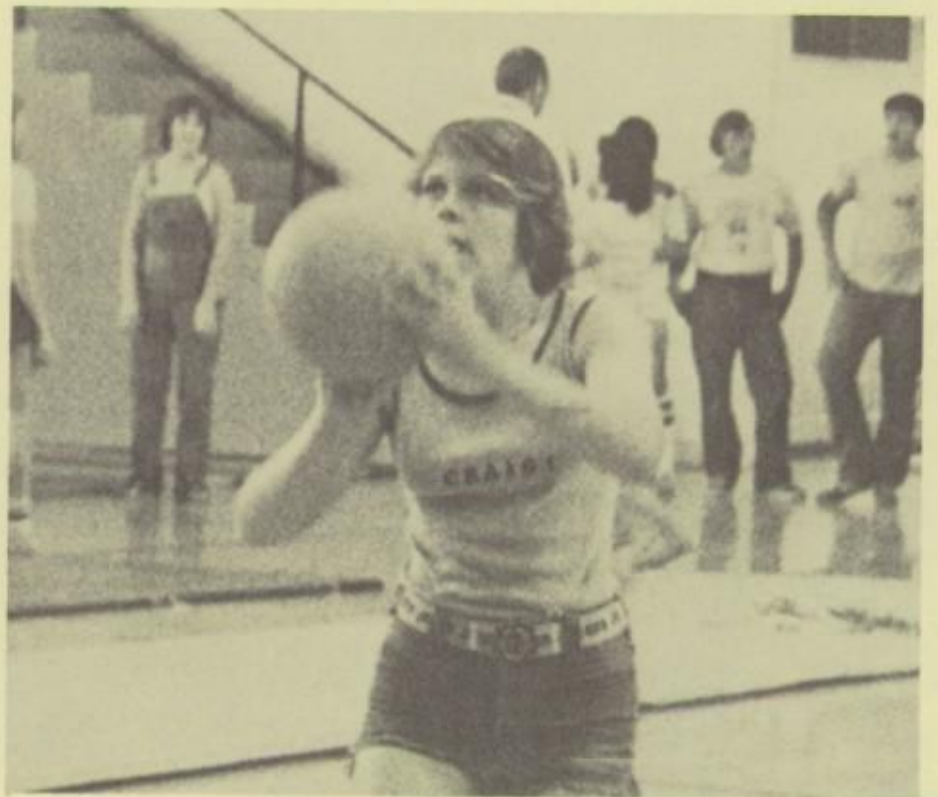

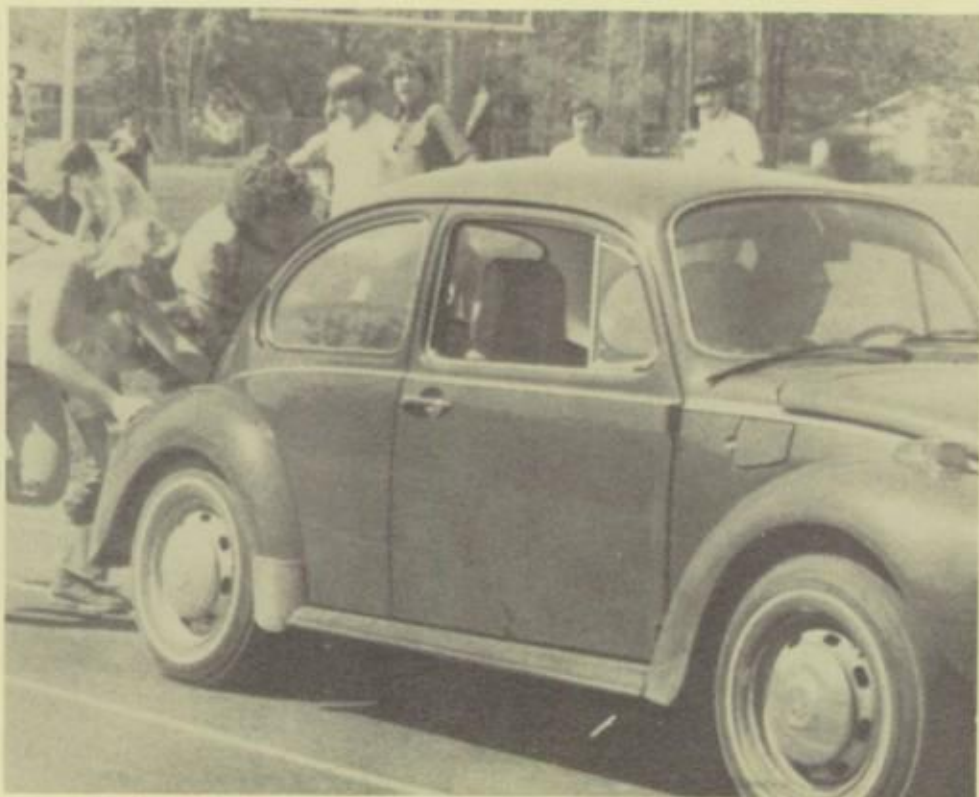

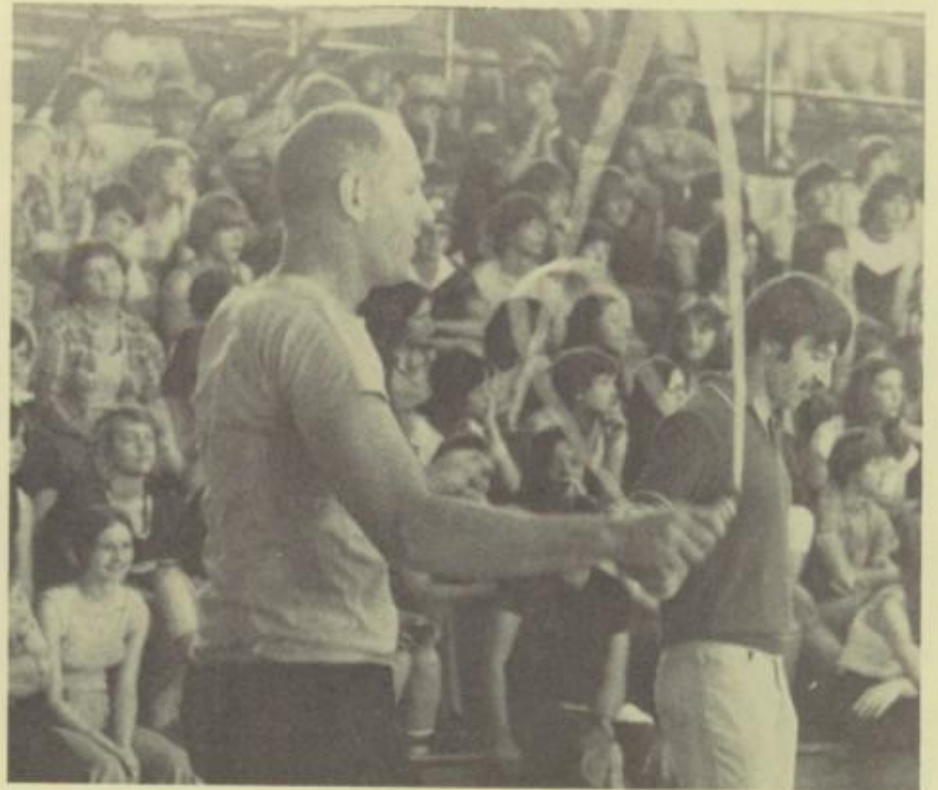

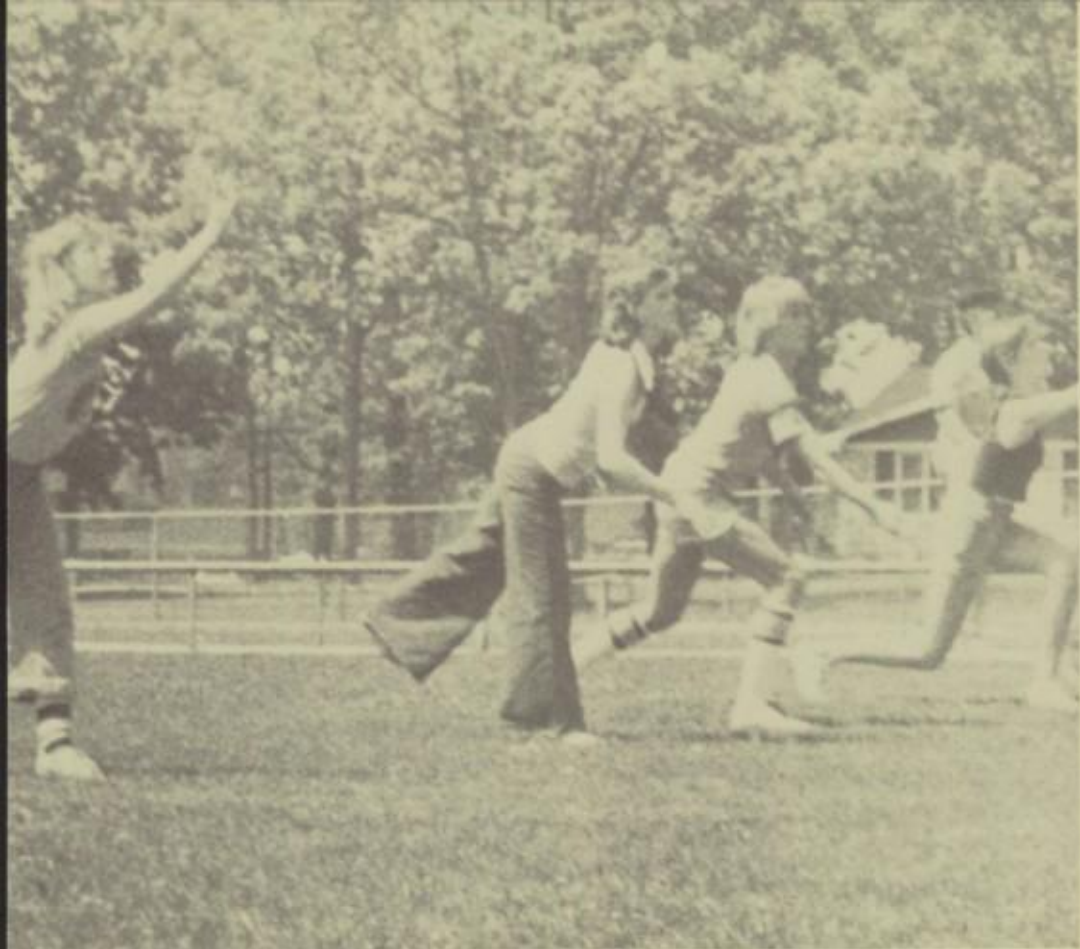

CHURUBUSCO HIGH SCHOOL

Class Struggle

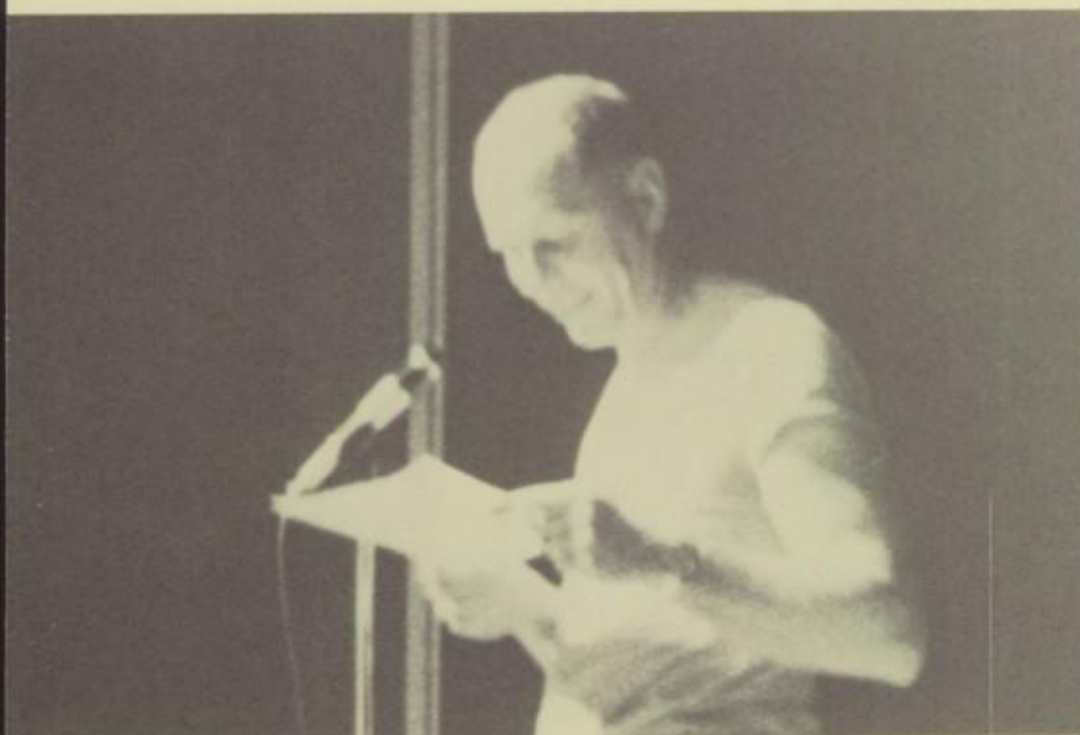

A sticky situation! The egg toss.

These students really know how to use their heads.

Mr. Yager added a touch of humor to class struggle.

Kathy Martin sang two of her original songs.

Senior guys gave it all they had in the tug a war.

Faculty members out strengthend them, though.

OEA — Office Education Association. This is a group of High School boys and girls who are taking some type of business class. Mrs. Champion is the sponsor. All year she prepares them for the Regional OEA contest held in Fort Wayne in hopes that some will be able to progress on to the State competition. The club worked hard, did an excellent job, and several of the members went on to State. Beside being a lot of fun students learn to improve their work in typing, bookkeeping and all forms of office practice.

Left To Right — Miss Sherfey, K. Myers, B. Mourey, D. Wince, S. Hoffman, J. Gatwood, R. Slater, T. Cramer, M. Philbee, C. Hollopeter, M. Hoffman

The Media Center Club consists of students who are interested in working in the library and the field of audio-visual. This year the club had a bake sale and a candle sale to raise money. They visited the Venice Restaurant last March. The profits that the club made are going to purchase an item for the library.

Thespians are persons involved in the theater, either in acting or backstage. In order to gain membership to this international honorary organization a student must have accumulated' at least ten points in acting, stage work, or technical skill. This year their efforts have been producing OUR TOWN and FIDDLER ON THE ROOF. They also worked on getting patrons whose generosity has helped them purchase the sound system.

The Spanish and Latin clubs had a busy year. Both clubs went out to eat several times. The clubs also went to Chicago. The Latin club sold corsages to help raise funds. The Spanish club sold pennants to raise funds for their club. The Spanish club also sent Rita Zeedyk and Denise Hilton' to Ball State University for a Spanish Workshop. Several students in Latin club went to Florida for the National' Convention.

Foreign Languages On The Go!

The Spanish Club enjoyed their trips this year. Fun was the watch word on the tours mixed with the knowledge obtained by seeing, hearing, and talking. These trips will be long remembered.

The Tusitala staff launched another yearbook under a totally new format. There were new people, including the sponsor, Mr. Case. Deb Lewis and Connie Reed spent many hard hours on their respective jobs; Deb as editor-in-chief, whose Excedrin headaches are to numerous to count, and Connie as photographer, who did all the dark room work and took most of the pictures in this book. Joe Bolen was the staff artist, while the regular staff did layouts, wrote captions and cropped pictures. Special thanks to the Tattler staff, who, when called upon, wrote copy for us in an emergency.

Row 1 B. Cutter, S. Cummings, A. Parish, C. Reed, D. Tulley, Mr. Zuesow Row 2 S. Gordon, T. Gross, T. Hyser, J. Speakman Row 3 S. Wright, M. Philbee, L. Butler, S. VanBuskirk, S. Erwin, L. Wright, C. Hollopeter

The Tattler was published this year under the dedicated leadership of editor Beth Cutter. All the members of the staff had to write their share of articles, but some of the staff worked at other jobs. Susan Gordan, Teresa Gross and April Parish were typists. Layouts were done by Sharrell Cummings, Lori Wright and Susan VanBuskirk. Headlines were slaved over by Susan Gordan Craig Hollopeter and Mike Philbe Connie Reed did the photography and dark-room work. The Tattler sponsor, Mr. Zuesow, repeatedly remarked that this was one of the best staffs he's had the opportunity to work with.

Kem Zolman was the team's captain this year, and Mark Womack captured the honor of leading scorer and MVP. Dan Nestle was the teams leading rebounder. Mr. Foster was the head of the twirlers this year, who performed at all home football games. Laura Flaugh, Susan Helgeson, and Tammy Frazier made up the corp, with Tammy as head twirler. "They put in a lot of hard work, says Mr. Foster, "and they added a great deal of pride to Busco."

Art Students Visit Museum

75 art students took a day off March 30th and visited the Indianapolis Museum of Art. The action-packed day began at 7:30 a.m. and ended about 5:00 p.m. First, they toured the Museum and later the Lilly Pavillion where priceless objects of art are stored. The following pictures are the fun we had.

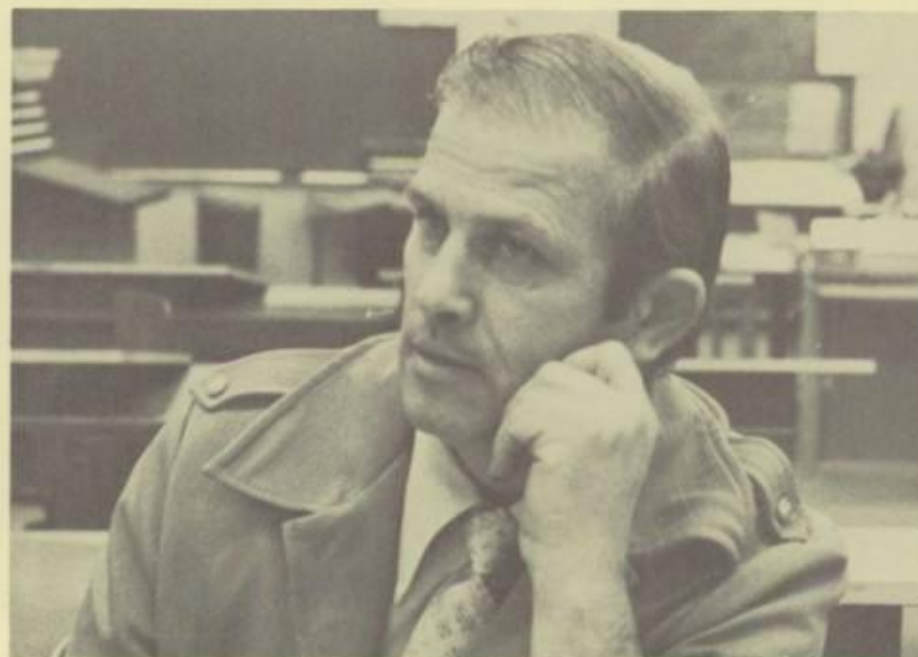

Mrs Tuck explaining a point in question.

O.K., Are we all here?

We are posing for a fine arts statue. Art?

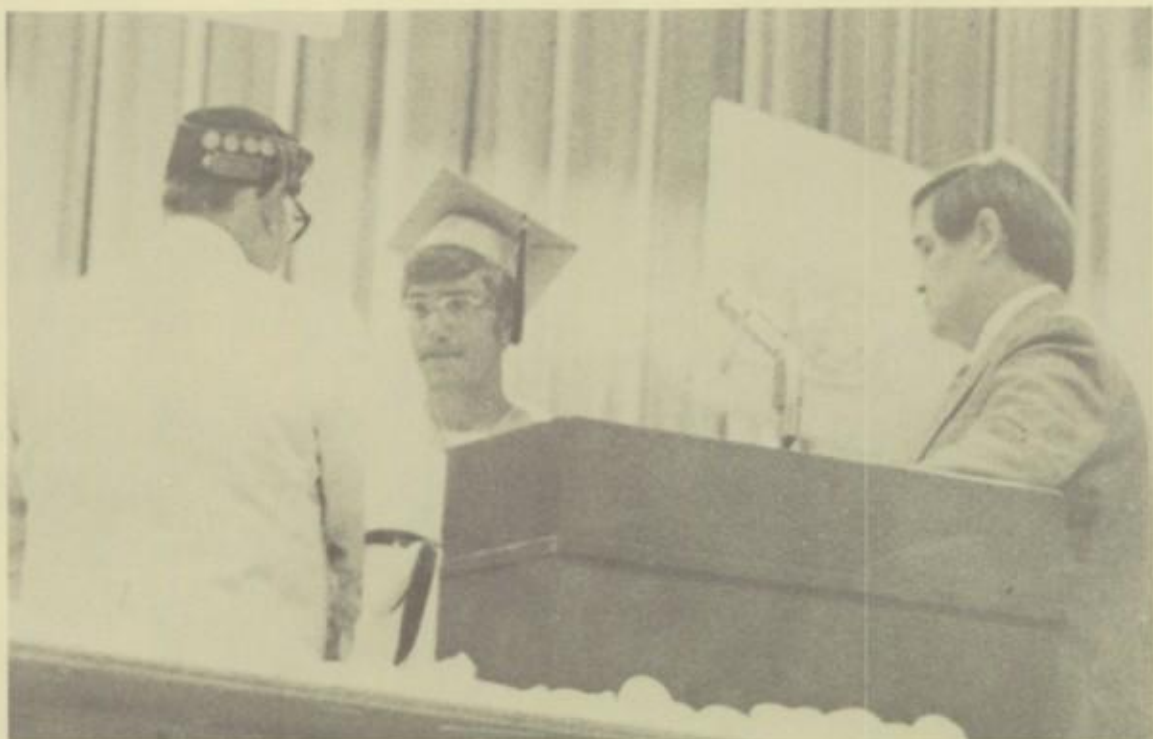

Deadline is definately a dirty word around these poeple. The yearbook staff was drastically reduced this year, which meant more work for these few people. With Mr. Case as our advisor, Deb Lewis as our editor, and Connie Reed as our main photographer, and dark room manager, we managed to meet our deadlines.

Here's some staff members hard at work on their brain storms.

Awards Day

Kem Zolman receives the American Legion Award.

Deb gives Miss Marti a plant in honor of appreciation from the Senior Spanish Students.

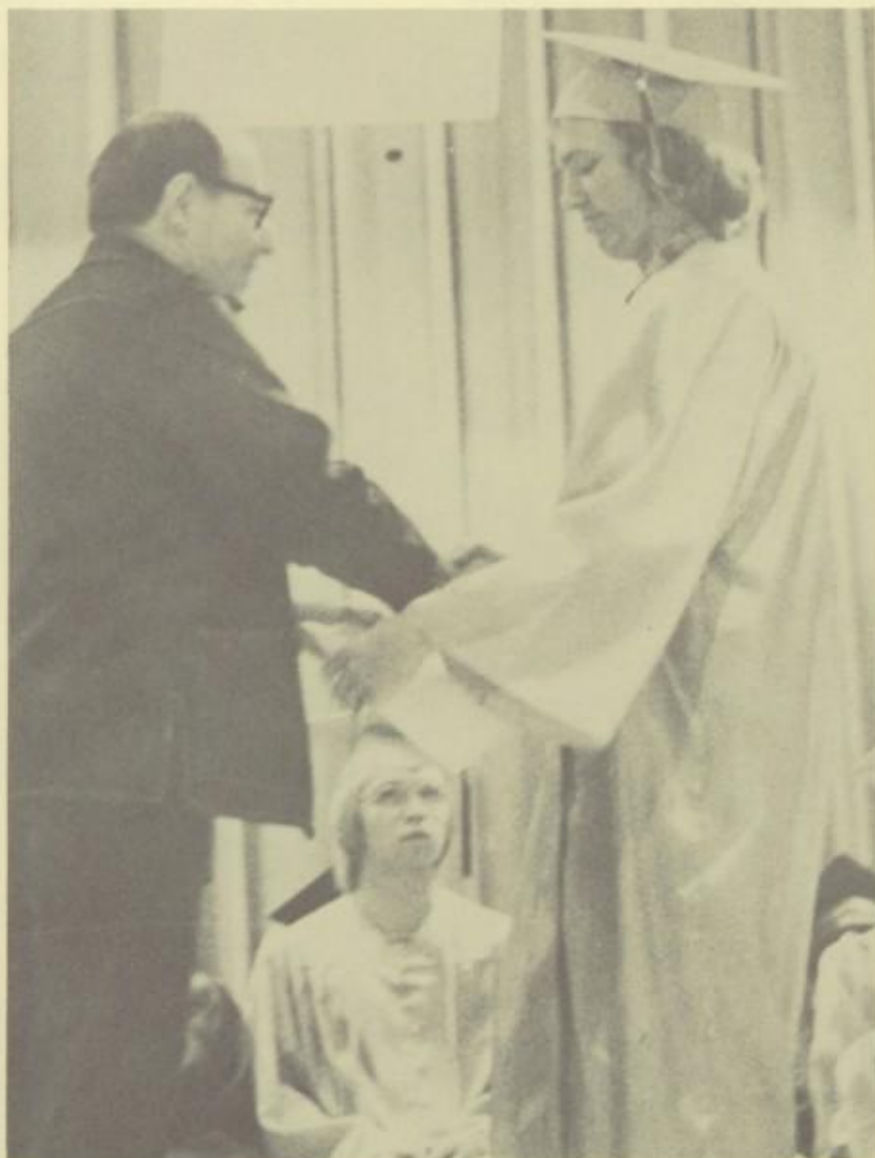

Seniors remanence during the candlelight friendship circle.

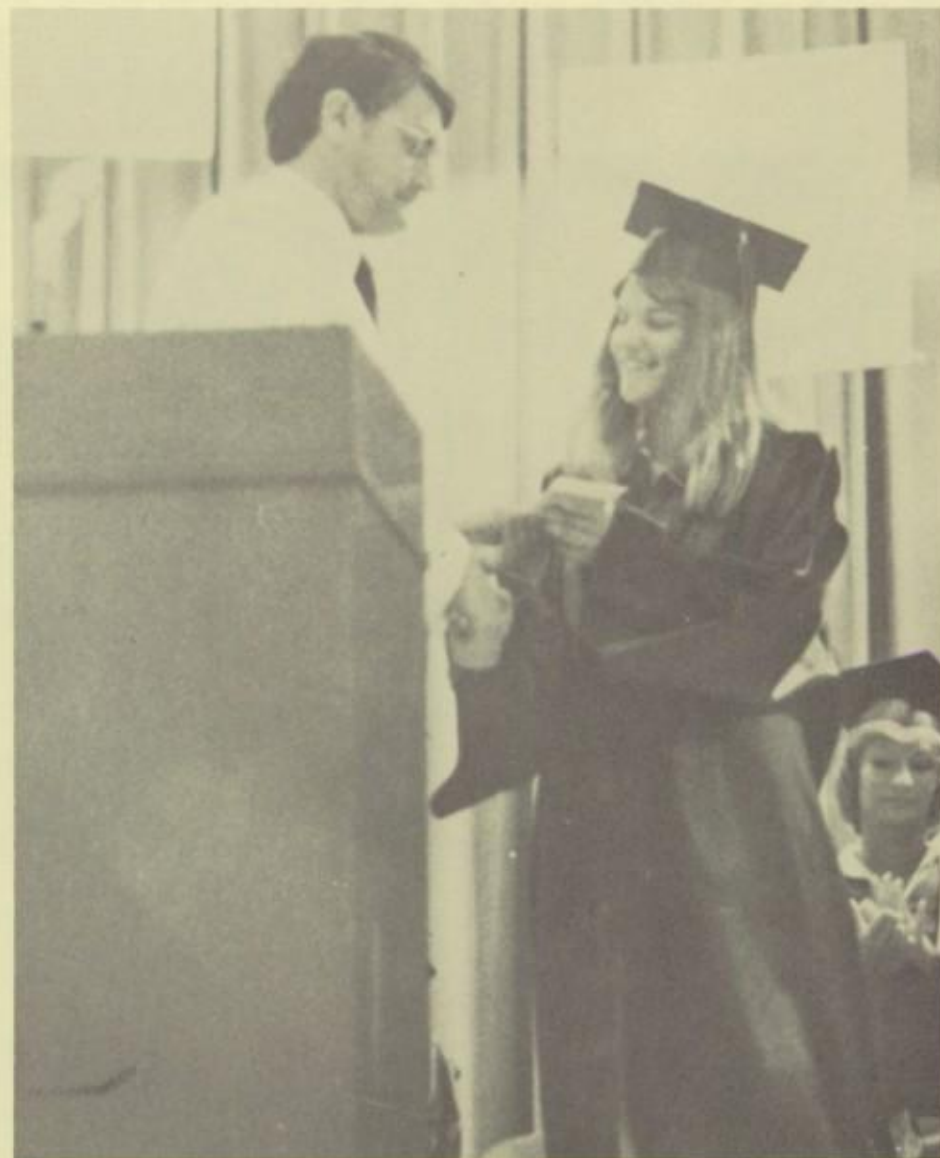

Marty Brumbaugh and Matt Keister are awarded F.F.A. plaques by Mr. Huntsman.

Miss Kinzler presents Mark Friskney a vocal music award.

Mr. Tennell congratulates Cassie and Dave on their fine achievements.

Diane Gaff is awarded a scholarship.

Mike receives an award for his acting.

Mr. Norman presents the best actor and actress awards to Diane Snyder, Lynn Cassidy, Kevin Gilbert and Mark Friskney.

May 7, 1977

Sharrell Cummings, Jeannine Johnson, Lori Wright, Beth Conrow, Pam Fairchild, Bob Tartaglia, Craig Hollopeter, Chris Rosswurm, Greg Shanabarger and Mike Philbee made the Prom Court.

Greg started out the occasion with prayer.

TO THE SENIORS

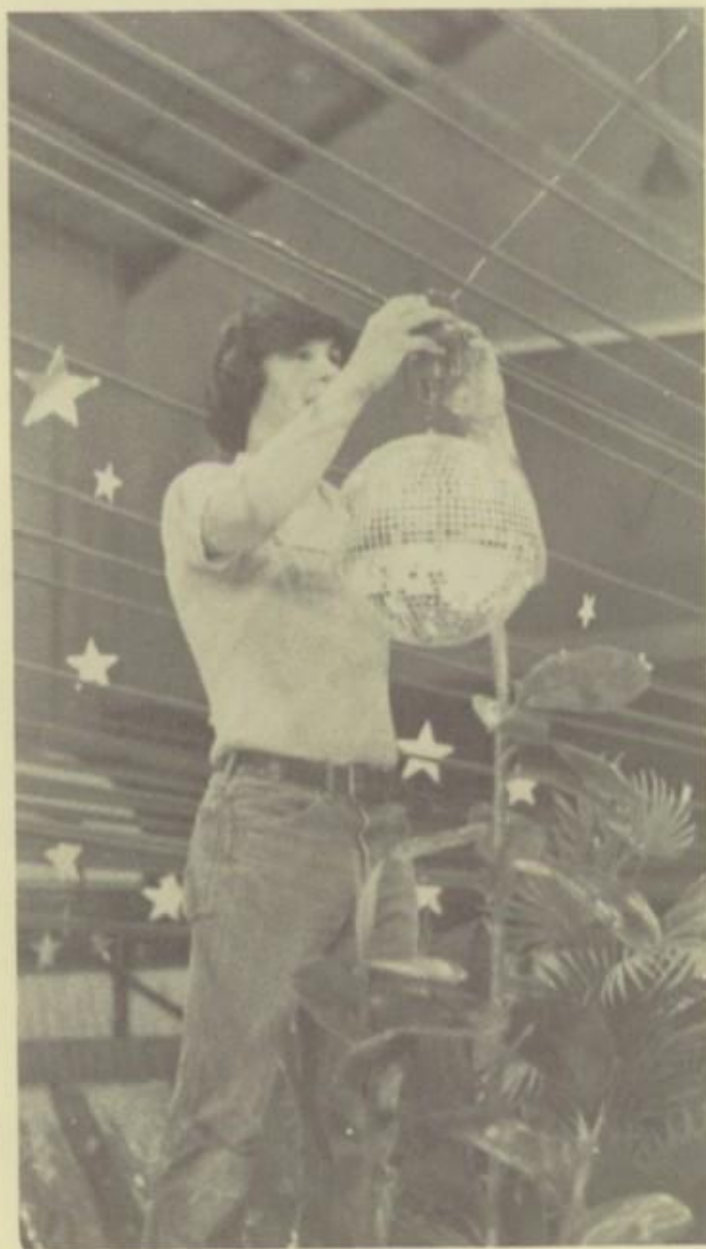

Another year goes passing by
 Another Prom is here
 To some this brings a joyous smile
 To others, brings a tear
 For four years you have tread a path
 From dawn to setting sun
 But now the path gets steeper
 And the climb is just begun.
 We're very glad to know you
 We'll miss you when you've gone
 And to the class of '77
 We dedicate this prom.

SCHOOL LIFE

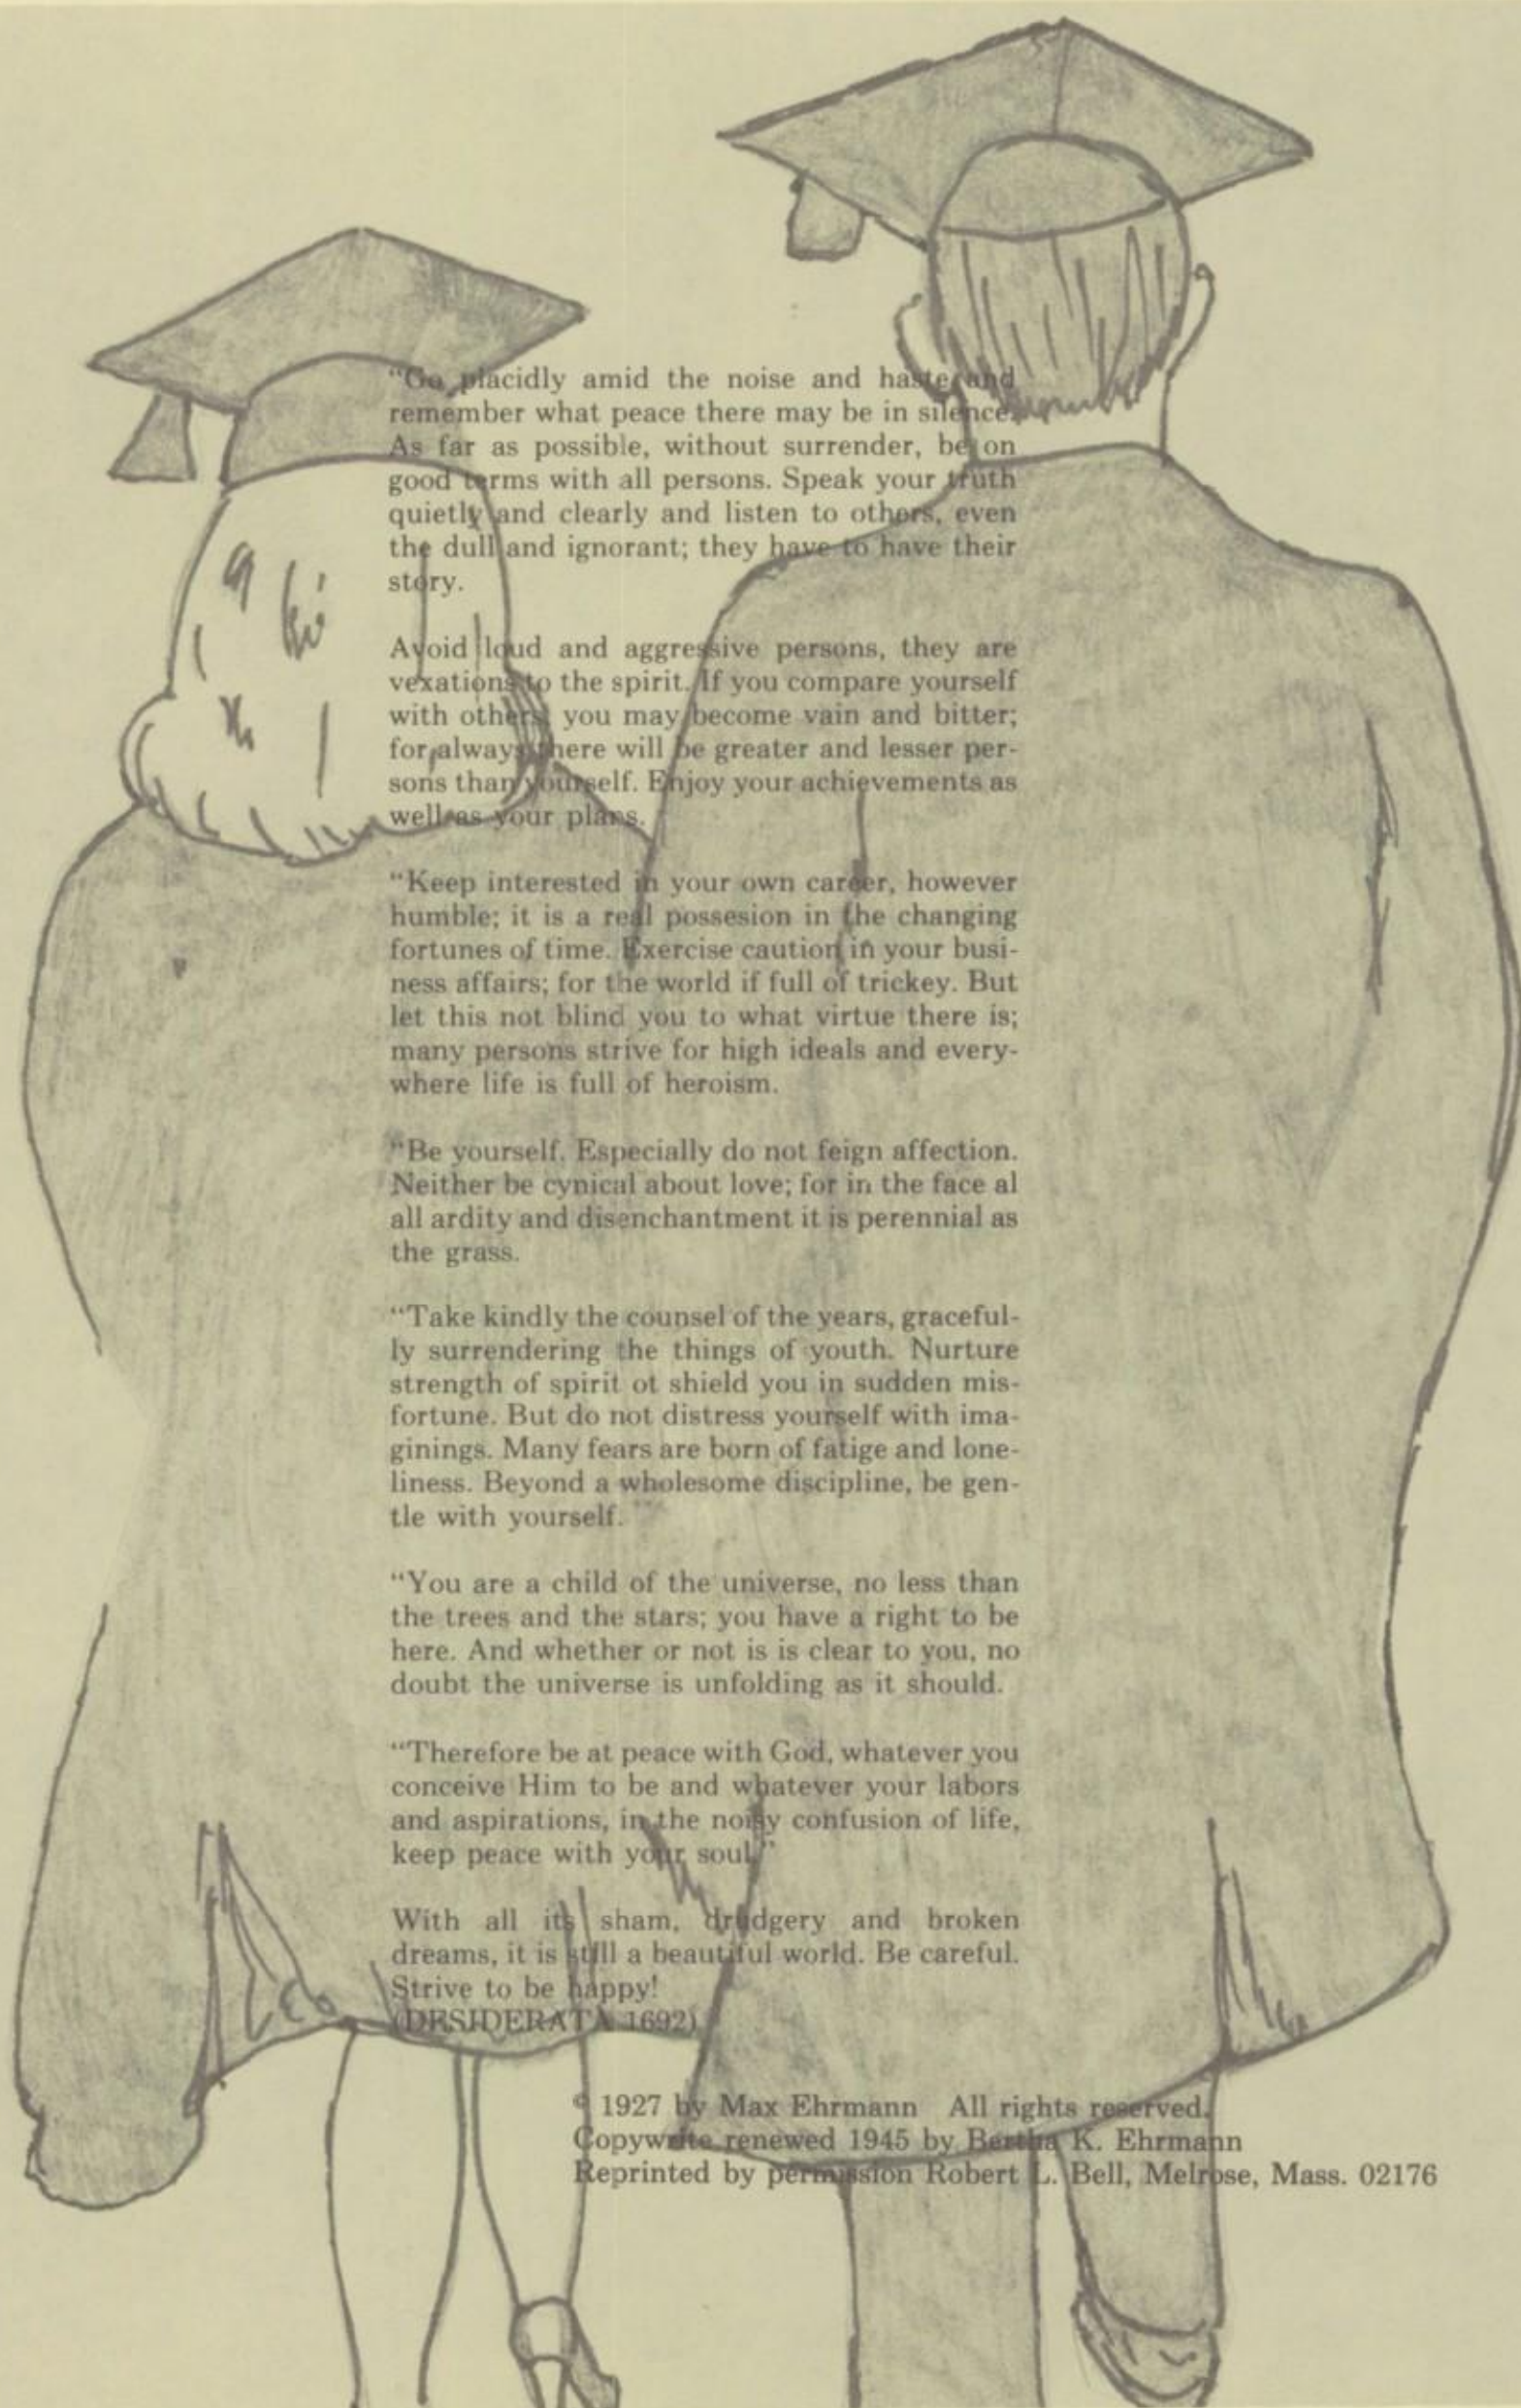

"Go placidly amid the noise and haste and remember what peace there may be in silence. As far as possible, without surrender, be on good terms with all persons. Speak your truth quietly and clearly and listen to others, even the dull and ignorant; they have to have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

"Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals and everywhere life is full of heroism.

"Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.

"Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

"You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not is clear to you, no doubt the universe is unfolding as it should.

"Therefore be at peace with God, whatever you conceive Him to be and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul."

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy!
